SCANDINAVIAN DESIGN AND QUALITY

SESVAN® brand is synonymous with Scandinavian simplicity, timeless design and quality. Special shapes and high quality materials make our mirrors functional, but above all beautiful and compatible with Scandinavian needs and culture.

MIRALITE® PURE – exceptional quality and durability mirror glass, offers high level of light and neutral reflection invaluable to interior design. Increased transparency and a clear, bright shade guarantees pure and vivid colours regardless of the lighting conditions.

Modern product and business require respect for the protection of nature and its resources, so our products are long lasting.

All materials are recyclable and certificated acc. European regulations and reducing the distance between manufacturer and the customer, we also lower the environmental impact.

*Designed in Scandinavia – European materials – manufacture in Europe
Simply from Europe!*
